

It's not possible to create meaningful multiple-choice questions from the text "1234" as it lacks any context or information to base questions on.

To generate MCQs, please provide a different text that includes concepts, facts, or a story.

For example, you could give me a text like:

"The Eiffel Tower is a wrought-iron lattice tower on the Champ de Mars in Paris, France. It is named after the engineer Gustave Eiffel, whose company designed and built the tower."
